Docket No. 98N-1265 7 '99 MAY -3 NO:27
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: I fought to get natural hormone replacement
because I don't want to take chemicals
that are "unnatural" in my system. I support taking
care of oneself naturally rather than using medication
that can cause sickness.
